It was a trip I'll never forget. It was a bizarre adventure for me back in 2010.

At the summer of 2010 our family decided to have a trip to Wales on a car. I was kind of confused about ~~any~~ trip.

~~I thought it'll be uncomfortable and boring and sometimes I was thinking about staying at my grandma's place.~~ But my dad told me: - You'll see, it will be enjoyable, besides it was very challenging for me so I believed him. (811) ^{had to}

So, at the road dad told us that we should stop somewhere for the night, but my mum said: "Jamie, there is no hotels or motels near us!" and my dad replied: "We don't need hotels, we will build our mini-camp!" I was ignorant about this, but when we stopped, dad showed me a lot of cool things. He taught me how to ~~create~~ ^{make} a fire without any lighter, how to filter water from dirty river and how to divide wild berries and ~~eat~~ ^{eatable} berries. And when we were sitting, relaxing after dinner I took this picture with my mum, dad and my little sister.

It is sad that we can't go to this kind of trips anymore, because my sister have exams right now, I have plenty of busy things on my work and my parents ^{have been for} divorced. like 3 years already...

Los Angeles is a big city, because it is located from the Pacific Ocean to the mountains — a large distance of more than thirty miles.

Los Angeles is a big and wonderful city but one of the most dangerest cities in the world.

First about good. ^{parts} Los Angeles is a good place. It has a lot of cars, trees. You can meet some friends and go with them on a picnic and eat some chocolate.

And bad things. In Los Angeles you can meet some bad people, some people that don't have homes. And don't play
